Dear Bureau:

Reference is made to your letter dated 18 February 1958, No. LS-182, wherein you request authorization of allowable costs.

This is to advise that the Test Site separation allowance of \$9.00 per day and meal allowance of \$5.00 per day effective at the time the Test Site was moved from [REDACTED] in June 1957 is hereby authorized as an allowable cost to Contract No. F3-99, GS-100, BC-200 and BC-450 as applicable. It is understood that the basis of payment is that Nyeon personnel who stay over night at the Test Site will receive payment of the separation and meal allowance for each full day spent at the Test Site in a duty status.

Very truly yours,

Don
